GRADUATION 1971

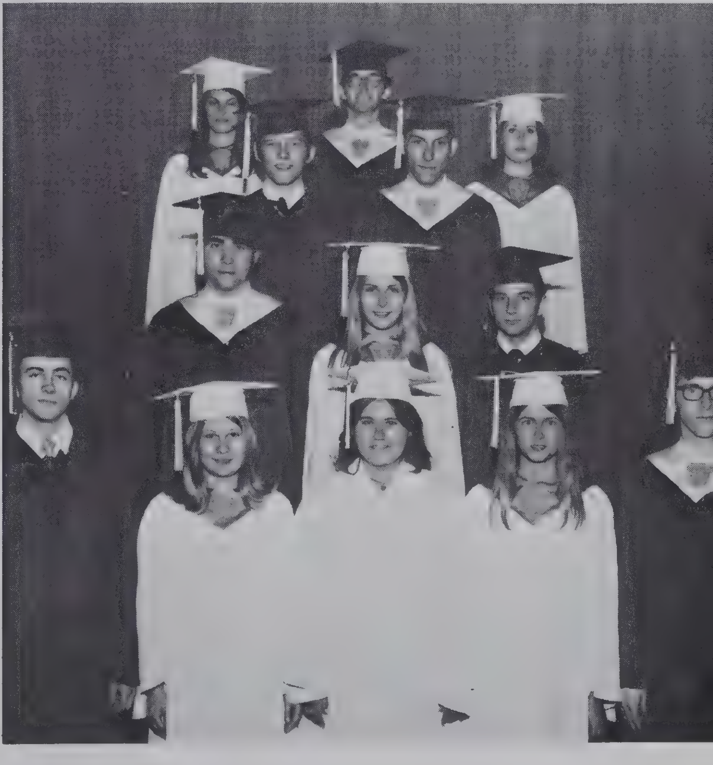
Valedictorian of the 1971 Senior Class was Miss Nila Willibey.

Class Colors	Cardinal Red and White
Class Flower	Red and White Carnation
Class Motto	The past is forever gone; the future is still our own.
Class Song	"Our Way"

OUR WAY

And now the end is near, and so we face the final curtain.
Dear friends, we'll say it clear, We'll state our case, of which we're certain.
We've planned each chartered course, each careful step along the by-way,
And more, much more than this, We did it Our Way
We've loved, We've Laughed and cried, We've had our fill, our share of losing,
And now, as tears subside, we find it all so amusing.
To think we did all that, and may we say, "Not in a shy way."
Oh, no, oh, no, not us, We did it Our Way.
For what is a class, what have we got, if not ourselves, then we have not
To say the things we truly feel, and not the words of those who kneel.
The record shows we took the blows, and did it Our Way.

Salutatorian was Mr. William Graham.



Participants in Baccalaureate and Commencement were Larry Czaja, Debbie Keller, Pat Hoffer, Candy Beebe, Mike Gaff, Dave Yates, Karen Laub, Tom Haynes, Gerald Murphy, Randy Hartleroad, Nila Willibey, Bill Graham, and Dinah Bell.

Blazettes, under the supervision of Mr. Richard Foster, started practice late in August for the Auburn Fair. The Blazettes added white marching boots to their uniform and received them just in time for the Auburn Fair. The Blazettes performed with the pep band at halftime of the home football games.

During the last few weeks of November the Blazettes started 7:30 morning practices to prepare for their basketball performances. For our last two performances Chris Hicov taught us some new and interesting routines. The last performance was February 20, 1971 and the underclassmen Blazettes honored the seniors by presenting them roses.

The Eastside High School choir, under the direction of Mrs. Richard Foster, was quite active during the school year. The first item on their agenda was to start practicing songs for their first Fall Festival. The program, which was presented two nights, consisted of selections from recent pop tunes, show tunes, and a few religious songs. The choir also sang at the Thanksgiving convo and gave its annual Christmas Concert for the public. After coming back from vacation a little time was taken out for soloists and ensembles to practice for the district contest. Then it was practice for the annual Panorama presented in May.

One of the Lettermen's proudest accomplishments this year was being able to award four Senior boys letter jackets. These jackets were given on the basis of contribution, dedication and hard work. The recipients of these awards did indeed deserve them.

The purpose of the Lettermen's Club is to promote interest and active participation in athletics, sportsmanship, and spirit. This club had many money-raising activities throughout the year which included a successful Fish-Fry. The Lettermen have done a fine job throughout the year and should be congratulated for their fine representation. They are a valuable asset to our school.

The student council of Eastside High School has been very active this year in many aspects. The purpose of the student council is to represent the student body and present the students' viewpoints to the administration in order to have a more unified school system. In doing so a revised dress code was put into effect.

During the past year the student council presented many interesting convocations along with the regular sponsoring of dances, Homecoming, Pride in Eastside Week, and the Spring Festival.

The Future Farmers of America, or FFA as it is commonly known, is a national organization of, by, and for boys studying vocational agriculture. Any student of vocational agriculture takes part in parliamentary procedure contests and judging contests in the county, district, and state. The Future Farmers of America is a non-profit, non-political farm youth organization of voluntary membership. The organization is designed to take its place along with other agencies striving for the development of leadership, the building of a more permanent agriculture, and the improvement of country life. The members follow the FFA motto, "Learning to do, Doing to learn, Earning to live, Living to serve."

The purpose of the Eastside Science Club is to pursue further knowledge in the field of science. The main project of the club was the trip to the Cook Nuclear Power Plant in Michigan. Here the science members learned more about the near future of nuclear power. Also a Christmas party was held at the Riverdale Cafetorium which helped to usher in the Christmas season for the members.

Les Adventeurs accomplished quite a lot during the 1970-71 school year. With the election of the new officers, Sandy Kelham, President; Pam Anderson, Vice-President; Gay Parshall, Secretary; and Greg Oberlin, Treasurer. The Eastside French Club began a series of projects. First was the bake sale, all French food, which we hope to make an annual affair. The next project was a French play, presented to the elementary students, and set up a puppet show for the Spring Festival. If all goes well, we hope to send a French student to Quebec, possibly in the next year or so.

This year the Spanish Club has been busy raising money to once again send two students for summer study at the Colegio Americano in Torreon, Coahuila. Besides raising money, the club also finds time to enjoy themselves. The first meeting of the year finds them initiating their new members and they also discovered that this was the largest membership ever obtained.

A year of learning about the Spanish language and customs was brought to a close with the annual banquet.

The Vocational Cooperative Training program at Eastside provides opportunities for students to develop vocational skills, technical knowledge and enough social and leadership ability to become a well adjusted beginning worker in the community. The student in this program belongs to an organized club called VICA (Vocational Industrial Clubs of America). In addition to dues, they sold calendars and sponsored dances as money-making projects throughout the year. Toward the end of the school year they had an employer-employee banquet.

The Art Club has enjoyed a prosperous year with a new sponsor, Mr. Crewse. Under his supervision the club has participated in writing a new constitution, a formal initiation, and in decorating the stores for Halloween. Highlighting these activities were the creation of the Art Club car, which placed third in the Auburn Fair competition, and the modernistic Christmas tree displayed in the main hall of the school. The year was concluded with the presentation of honorary awards.

The Future Teachers of America were involved in various activities this year. In October the induction of new members and installation of officers was held at the Riverdale Cafetorium. In mid November several members attended the district FTA meeting at Carroll High School. As had been the custom in the past, Santa's helpers visited the annual Christmas party. In the Spring a picnic marked the last FTA meeting which sent a number of students off to college to pursue the role of future teachers.

The main purpose of the Eastside Booster Block is to back the Blazer teams. The block first sat at football games and cheered for the Blazers on the gridiron. As the year progressed, the Booster Block found themselves next cheering on the Blazer basketball team clear to the finals of the DeKalb Sectional.

One of the annual projects of the Booster Block was the winter semi-formal dance. The girls also sponsored a dance after the first basketball game. For another project they sold spirit buttons in an attempt to spread more Blazer Spirit throughout Eastside.

The Blazers fielded their biggest football team ever under the leadership of new head coach, John Conley. Although the Blazer team was large, 50 players, we were only able to manage a 1- -8 record. This year we had 6 seniors on the team, and next year we are expecting a very good year with many returning lettermen. Coach Conley was assisted by two very able coaches, Mr. Miller and Mr. Massie. This year the Blazers were forced to practice in Maxton's Park as our new football field was not yet ready to be played on, but the 1972 Blazers will be looking forward to playing the first game on the new field.

Winding their way on wings Keith Melchi, Jerry Culbertson and Warren Griggs led the Eastside Cross Country team through one of its better years in recent history. Since most of their meets are during the halftime of the football games these boys do not gain much recognition; but they work extremely hard and deserve much credit for the tough competition they face.

This was another rebuilding year for the squad, but more runners represented us and we did extremely well against other area schools. All the boys worked hard and did much to attract attention and enthusiasm to this sport. Next year we are looking forward to having one of the finest cross-country teams in the area.

MISS EASTSIDE

This year our school was proud to have Barb Seltenright and Sandy Warstler represent Eastside at the DeKalb County Fair. Eastside fans turned out in large droves to support their candidates.

For her talent, Barb sang "Softly As I Leave You". Barb is quite active in school activities; as she is treasurer of Blazettes, secretary of Student Council, member of National Honor Society, Future Teachers, Chorus, Annual Staff, Blazer Staff, and pianist for the United Methodist Church.

Sandy performed a baton exhibition for her talent. She is Eastside's feature twirler, varsity cheerleader, member of Future Homemakers, Girls Athletic Association, and a member of Coburn Corners Church of Christ.

MEXICO STUDY TRIP

Late in June, 1970, Debbie Keller and Janelle Moore left to attend a six weeks' summer school session at the Colegio Americano de Torreón in Torreón, Coahuila, Mexico. During their stay they lived with middle-class Mexican families, and thus had the opportunity to learn Spanish first hand. The mornings were spent attending school, while afternoons and evenings could be enjoyed in a number of ways. Before returning home, Debbie and Janelle spent three days in Mexico City, which might be considered one of the highlights of the summer. During those three days they were constantly on the "go", visiting government buildings, cathedrals, museums, the pyramids, the University of Mexico, the Olympic Stadium, and a bull fight. They also managed to do some shopping at the famous San Juan markets and take in the beautiful Folklore Ballet. The trip was financed by the Spanish Club and donations from interested members of the communities. It is considered to be one of the most worthwhile projects sponsored by an Eastside Club.

"AN ENCHANTED DREAM"

Fort Wayne Holiday Inn Northwest on April 24 was the setting for the 1971 Prom. The After-Prom party was held in the Riverdale Cafetorium, with breakfast in the Butler Elementary Cafetorium. The setting for the evening centered around the theme, "An Enchanted Dream." The effect for this was set by the Roman Mural which draped the front of the room. Accenting the mural was the lovely blue sky with the silver clouds found on the remaining walls of the room. The tall Roman Columns, trimmed in gold and the shorter pedestals on which large white urns filled with a variety of colored flowers, lent a feeling of enchantment to the occasion. Around the columns were found green vines which created a pleasing contrast to the remaining decor. Large Roman vases filled with brightly colored flowers graced the tables. In the front corner of the room was the deep red velvet throne, trimmed in gold and white and used for the coronation.

The entertainer asked for a helpful hand from the audience.

FAREWELL TO OLD EASTSIDE

As the 1970-71 school year draws to a close, it is plain to see that this is a time for "the Blazers to look to the future." We all should be excited and proud of our new school, but we should not fail to forget the good times we had in the old. Surely it will be fun to have the improved facilities, but the fun of working together will be no greater than it has been in "this old school." I would like to thank the staff for their help and cooperation, especially Dara, Nancy, Sherri, Sharon and Dinah, who gave up their study halls to work, and to Gerald Murphy, for his fine artwork. Mrs. Hood and Mr. Williams also deserve a big thanks for all of their guidance and help. Last, I cannot forget the two important groups that made the 1971 Easterner become a reality--the subscribers and advertisers.

Thank You!

Karen Laub
